

University of Phoenix – Western Washington Campus presents:

Your business can make a real difference for
women in our community

Donate your clothing, shoes, and handbags to the **YWCA Closet Treasures Sale**, a benefit for **Dress for Success Seattle**

Now in its 8th year, the **YWCA Closet Treasures Sale** is a fundraising event that supports the important work of Dress for Success Seattle. At the event, members of the community are invited to purchase new and gently used designer, name brand, and off the rack clothing items at significant discounts. 100% of the proceeds benefit Dress for Success Seattle.

Our Mission: Dress for Success Seattle works to advance low-income women's economic and social development and to encourage self-sufficiency through career development and employment retention. Dress for Success Seattle is one of 78 affiliates throughout the US and internationally and is locally managed by the YWCA.

Dress for Success serves low-income women in Seattle and King County who are referred by employment and training programs at affiliated partner agencies. Many of our clients are affected by homelessness, domestic violence, physical or mental disabilities, or limited English proficiency. Nearly all of our clients fall below 50% of our area's median income and 65% are women of color.
